

Merrickville Heritage Classic Team Spirit Award

To those individuals who have entered as a team for the Merrickville Heritage Classic Road race event, Bravo!! We would like to recognize those who wish to participate in a little added fun, all in the name of team spirit.

According to the Collins dictionary, *team spirit* is the feeling of pride and loyalty among team members.

Team spirit cultivates motivation and collaborative behaviour among individuals in a team to work towards a common goal. It enables every individual to work with full enthusiasm to promote healthy active living of all ages, genders, and abilities.

The Team Spirit award was introduced in 2023 for the Merrickville Heritage Classic Road race event. We hoped with its inaugural launch, it would become a mainstay of the race for years to come.

This annual race brings the community together to enjoy the camaraderie of the Merrickville-Wolford area. The event is supported by the generosity of local businesses and the many volunteers who help to organize and execute a fun, vibrant day for the participants. This is the essence of a team.
